

# City Works 25

Nicholas Boushee  
**short shit**

**I got more  
shit than I need  
And a dog  
named Desire  
that I can't feed**

**James Dean**  
flip your Porsche  
a week before the premiere  
the best press is death

**Fire the shepherd**  
Herding your dreams  
Open the gate  
& let 'em run!

**Infertile**  
We don't have the soil  
Or the soul  
For revolution
